

# **I diritti attraverso il Diritto. Il progetto “politico” di Luigi Ferrajoli**

MICHELE SAPORITI

*Rights through Law. Luigi Ferrajoli's Political Project*

*Abstract:* This review critically analyzes *La democrazia attraverso i diritti* by Luigi Ferrajoli. Starting by illustrating the theoretical framework of Ferrajoli's “constitutional guarantism”, it points out the main political implications of his speech centered on fundamental rights as binding limits of powers.

*Keywords:* Constitutional guarantees, Democracy, Global powers, Supranational constitutionalism.
