

Diritti senza cultura, culture senza diritti

FRANCESCA POGGI

Rights without Culture, Cultures without Rights

Abstract: This essay rises some concerns about the very interesting book *Culture, diritto e diritti* by Paola Parolari. In particular, it is debated the theoretical strength of the notion of cultural rights, the heterogeneity of the cultural claims, and the consistency between cultural rights and universalism of human rights.

Keywords: Culture, Cultural rights, Liberalism, Universalism, Human rights.
