*The Intersex Status. Causes for Reflection on a Debate Between Philosophy and Law*

*Abstract:* The article presents and discusses the issue of intersexuality, highlighting the critical nature of ‘corrective’ surgeries as a violation of the human right to physical integrity and the lack of consideration of intersexual person’s consent and dignity. The paper also discusses the current debate on the definition of intersexuality and provides some insight in the available case-law.

*Keywords:* Intersexuality, Sex development, Disorder, Genital mutilation, DSD.
