*The Long Path for the Achievement and the Enforcement of the Rights of the People with Disabilities*

*Abstract:* The paper discusses M. G. Bernardini's book *Disabilità, giustizia, diritto* devoted to disability from the perspective of philosophy of law. The paper outlines the still existing gap between the models elaborated by disability studies, the perception of disability in the public opinion and the still challenging achievement and enforcement of rights of people with disabilities by the Italian legal framework in the last years.
