*Perception, Vulnerability and Neoliberal Subjectivity. Pitfalls and Virtues*

*Abstract:* Vulnerability and perception are two fundamental terms of the philosophical, juridical and political contemporary lexicon which characterize the current phase of transition. In what follows, I will try to add some further considerations to the analysis of Gianfrancesco Zanetti and I will subsequently reflect on the current neoliberalreconfigurations of subjectivity.

*Keywords:* Perception, Vulnerability, Equality, Discrimination, Subjectivity.
