Under the Tip of the Iceberg. About the book G. Fornero, Indisponibilità e disponibilità della vita

Abstract: The author reflects on the latest book by Giovanni Fornero, appreciating the depth of investigation “under the tip of the iceberg”, but she notes that, from the point of view of the Italian Constitution, no constraint may be inferred in the construction of medically assisted death as a constitutional right.

Keywords: Medically, assisted death, Opposite ethical paradigms, Constitution, Political choices.
