*Gender-based Violence and the Condition of Women: Pandemic as a Turning Point?*  
*Abstract:* Pandemic has turned the spotlight on a phenomenon, gender violence, that is still largely underestimated. Although violence against women is not an emergency but an urgency, the awareness on such a serious situation fosters a strong reaction not only in the short but also in the medium and long term with integrated policies through the promotion of women's rights.

*Keywords:* Gender violence, Pandemic, Short and long term, Promotion of gender quality.
