

# Diritto e libertà: alcune questioni aperte

VALERIA OTTONELLI

*Law and Freedom: some Open Questions*

*Abstract:* A central claim of *Libera scelta e libera condizione* by Alessandra Facchi and Orsetta Giolo is that law plays a central role in creating the conditions for the exercise of individual freedom. While fundamentally agreeing with this claim, I review three classical qualms about the effective ability of law to enhance the freedom of disadvantaged social groups in the current circumstances of our societies.

*Keywords:* Freedom, Law, Women, Domination.
