

Sobre algunos contenidos de un discurso europeo en relación con los derechos

FRANCISCO JAVIER ANSUÁTEGUI ROIG

On Some Contents of a European Discourse in Relation to Human Rights

Abstract: This paper deals with some aspects of the discourse on rights developed by Facchi, Falcetta, and Riva. Mainly the question of the relationship between Europe and rights is addressed, to which is added the critical analysis of some distinctions of rights.

Keywords: Rights, History, Europe, Political rights, Prepolitical rights.
