

Illusoria seduzione della teologia politica? Sul complesso rapporto tra il politico e il religioso

Commento a: Géraldine Mulhmann, *L'imposture du théologopolitique*, Paris: Les Belles Lettres, 2022, pp. 448.

MICHELE SAPORITI

Illusory Seduction of Political Theology? On the Complex Relationship between the Political and the Religious

Abstract: This article critically analyzes Géraldine Muhlmann's book *L'imposture du théologopolitique*. It provides a general overview of the book's structure and it points out the core arguments through which the author addresses a radical critique to politicaltheology-based theorizations.

Keywords: Religion, Politics, Political theology, Political philosophy, Critique.
