The Testimony of a Friendship: Gregorio Peces-Barba y Norberto Bobbio

Abstract: The text reflects, in a brief way, on the process of building the academic and personal relationship between Gregorio Peces-Barba and Norberto Bobbio, based on the content of the correspondence between them. It also contextualises this correspondence in the transition to democracy in Spain, in the renewal of Spanish legal philosophy and in the formation of the group of legal philosophers at the Carlos III University of Madrid.

Keywords: Spanish transition to democracy, Philosophy of law, Norberto Bobbio, Gregorio Peces-Barba, Human rights.
