On the Legacy of Max Weber: a Reply

Abstract: These pages comprise a reply to remarks by Giovanni Bombelli, Edoardo Fittipaldi, Pier Paolo Portinaro, and Virginia Presi which were made at a Round Table held in March 2024 at the Politeia Center discussing Marra's book, *The Legacy of Max Weber* (2022). In his reply, Marra focuses mainly on two central stages of Weber's work: his theory of social action, and his reflections on the evolving lines of contemporary law in Western culture.

Keywords: Max Weber's legacy, Theory of social action, Culture, Law, Science of law.
