BARBARA PEZZINI

*Democracy and Dissent: the Boundaries of the Freedom of Expression and of the Political Practice*

*Abstract:* The contribution addresses the relationship between hate speech, democracy and dissent, discussing the author's approach, which excludes the expressions of thought in contrast with the articles 2 and 3 of the Italian Constitution from the protection of art. 21 of the Constitution. It also addresses the problem of misunderstanding relating to the XII final provision of the Constitution

*Keywords:* Hate speech, Free speech, Equality, Democracy, Dissent.
