

Antonio M. Chiesi

Antonio M. Chiesi is professor of Methodology of the Social Sciences at the University of Milan and coordinator of the PhD program in Sociology. He previously taught at the Universities of Trieste, Cagliari, Torino and Trento, where he has been director of the department of Sociology and social research (1999-2004). He is member of the international research group “Comparative Charting of Social Change” for the study of social indicators in comparative perspective, elected board member of the European Consortium for Sociological Research and member of the scientific committee of Centre de Recherche pour l'étude e l'observation des conditions de vie (CRÉDOC, Paris).

In the field of corporate social responsibility he is member of GBS, Gruppo di Studio per il bilancio sociale, for the establishment of an Italian standard in social reporting and accountability. Since its foundation, he is also member of the scientific board of Econometrica, Interuniversity centre for business ethics and corporate social responsibility.
